

Supporting your financial future

Exclusively for Stonewater customers, this free service offers practical, personalised support to help you improve your financial wellbeing and build confidence for the future.

Financial and employment support

Money worries can affect every part of life.

That's why Longleigh Foundation has partnered with Clean Slate to provide free financial and employment support for Stonewater customers.

You can get support to increase your income, manage debt, improve your budgeting or find employment opportunities, with personalised support tailored to your circumstances.

How can we help you?

By reviewing
your income and
expenses

By checking your
eligibility for
benefits & grants

By offering FCA
accredited advice
and debt support*

By helping
you to find
work

*Where regulated debt advice is required, referrals are connected to a local Community Money Advice (CMA) centre, which is authorised and regulated by the Financial Conduct Authority.
